

Warranty Les Pontons ARMADA inc. (4 pages) Revision January 1st 2024.

Congratulations for the wise purchase that you've done recently. We wish you a lifetime of enjoyment in using your watercraft.

ARMADA provides the following limited warranty to the retail original purchasers of their aluminium pontoons if it is purchased with an authorized dealer in Canada and United States and used in normal conditions and for non-commercial purposes.

Limited warranty of ten (10) years on the weld joints of pontoons

1. The authorized dealer will make the needed repairs in case of defects in material or manufacturing defect detected in the principal weld joints of pontoons for ten (10) years to the original purchaser of ARMADA pontoon if this one is not purchased with performance wings. At the end of this limited warranty, the principal weld joints are those that found on the tubes assembly, float supports on the floor, and the motor mounting of all the ARMADA pontoons. **Please note that eyes bolt welded on aluminum tubes are not designed to pull the pontoon and all defect due to that will not be warranty.** Also note that the arches and/or pull hooks cannot be used to pull tubes/inner tubes. They are only designed for a skier, a wakeboarder and/or a surfer.

2. The authorized dealer will make the repairs or needed replacements in case of defects in material or manufacturing defect detected in the principal weld joints of all ARMADA pontoons bought with performance wings during a period of one (1) year from the delivery date to the initial purchaser.

Limited warranty of ten (10) years on parts of the plywood floor

During a period of ten (10) years from the delivery date to the retail initial purchaser, the authorized dealer will replace all floorboard of ARMADA watercraft made with treated plywood, if damages, caused by moulds are so significant that the panel is unsuitable for the use for which it's intended for has been detected, this limited warranty of ten (10) years on the floors covers the cost of equipment and labor. The damages caused to the panels by the budge, the warping, the delamination or all other plywood physical property are not covered by the limited warranty. To prevent this damage, notably, it is essential to ensure that the pontoon is completely dry and without any accumulated moisture before packing and/or storage.

Limited warranty of five (5) years on the canvas

During a period of five (5) years from the delivery date to the retail initial purchaser, ARMADA will replace the equipment of all canvas of a ARMADA pontoon if the canvas had an excessive discoloration or if it became unusable as a result of a normal sun exposure or chemical products being in the atmosphere or due to a rot problem. Mooring covers have a warranty of three (3) years.

Warranty of five (5) years on the vinyl furniture

During a period of five (5) years from the delivery to retail initial purchaser, the authorized dealer will repair or replace all carpet or vinyl furniture of an ARMADA pontoon if a defects in material or manufacturing defect or an excessive discoloration has been detected. The warranty covers the costs of equipment and labor, except if the damages are caused by tears, pulled threads, frayed tissue or by all misuse. Please note that the warranty will be honored only if the pontoon has a protective cover, and the furniture are not exposed to the elements. When the pontoon is docked or stored for an extended period, it is important to ensure that the benches are open to allow optimal ventilation in the storage compartments. To do this, remove all objects that may accumulate moisture and limit the drying out of the compartments.

Limited warranty of one (1) year on the parts and the components

The authorized dealer will repair or replace all part or component manufactured by ARMADA if a defects in material or manufacturing defect is detected in course of the period of one (1) year following the delivery of the watercraft to the retail initial purchaser.

The authorized dealer will repair or replace all part or component installed by ARMADA not offered with his own warranty to the retail purchasers, if a defects in material or manufacturing defect is detected in course of the period of one (1) year following the delivery. This limited warranty concerning the non-manufactured parts and components applies only if the original parts are returned to the authorized dealer and it's subject to the exclusions indicated below. These parts and components comprise but not limited to the indicators (gauges), the scoreboards, the steering systems, the hardware, the pumps, the canvas and the convertible tops, the windshields, the fuel tanks and the lights.

Limited warranty of one (1) year for commercial use

The authorized dealer will make the repairs or needed replacements in case of defects in material or manufacturing defect detected in the principal weld joints to the initial purchaser of all ARMADA pontoons bought for commercial use a period of one (1) year from the delivery date to the initial purchaser. As used herein, the phrase "commercial use" included, but not limited, to any for-profit use. This limited warranty provision is not transferable.

Les Pontons ARMADA Inc. explicit limited warranty doesn't cover:

- 1 The components, parts, accessories and other equipment covered by their own warranty, including but not limited the following parts: any motors and engine components, batteries, trailers, fish finder, radios and batteries.
- 2 The corrosion or the damage imputable to the storage, to the corrosion by salt water or a corrosive environment, with use of inappropriate or incompatible solvents or dangerous cleaners. To the electrolysis by connection of reverse polarities.
- 3 Any damage due to a poor motor installation and components install by others.
- 4 Any damage due to a lack of protective anode.
- 5 The breakdowns and the defects imputable to one of the following causes : the pontoon moves at a lower speed when the water is abnormally stormy, the watercraft tubes are not rinsed with fresh water after a saltwater use or the pontoon is left in salt water when it's not used.
- 6 Concerning the vinyl furniture and the carpets, the normal wear and tear, the discoloration, the color changes, the negligence, or abusive/excessive use.
- 7 The breakdowns and the defects imputable to the rainwater, including when the rainwater goes through the canvas.
- 8 The chipping, the cracking, the blistering, the chalking and the paint discoloration.
- 9 Any amount exceeding the part, the item or the product cost for the initial purchaser.

- 10 The breakdowns or defects imputable to an accident, a theft, normal wear and tear, a lack of reasonable and necessary maintenance or non-compliance of relative recommendations for pontoon use and maintenance.
- 11 The breakdowns or defects imputable to touch up or modifications made to the pontoon, including the use of pontoon with a motor more powerful or payload higher than the indicated recommendations.
- 12 The costs of towing, repair, transport, hauling, or other costs incurred in bringing the pontoon to the dealer or to ARMADA plant to do the repairs covered by the warranty.
- 13 The damages caused to the hull, the breakdowns and the defects imputable to a bad assembly or a trailer bad installation. To an inadequate towing, an inadequate motor mounting at the time of towing or towing of a pontoon behind a motorboat.
- 14 Any damages caused to pontoon and motor by a wrong installation on the trailer or a wrong trailer installation. Does not cover any damage due to towing of other boats or vice versa.
- 15 The costs associated to the removal and the reinstallation of equipment like an outboard motor or a sonar to do the repairs covered by the warranty.
- 16 All ARMADA watercrafts initially sold at retail by someone else than an ARMADA authorized dealer.
- 17 The costs or damages imputable to declarations or insinuations regarding the speed, the range, the fuel consumption, or the operating characteristics.
- 18 The breakdowns or defects imputable to a coincidence leading damages, costs, or additional costs.
- 19 Pontoons who had modification to the structure made by others.
- 20 The breakdowns or defects imputable to an anterior repair made by an unauthorized service provider, except if this repair has been pre-authorized by ARMADA.
- 21 This limited warranty doesn't cover a pontoon having been subject of a rescue, having been declared a total loss or being renowned a total loss for any reason.
- 22 Any damage due by extreme heat, storm, lightning, violent wind or any act of God, leaves or bird shit or any animal/insect, sand, salt and road salt.
- 23 All parts damaged by poor ventilation of the compartments which caused humidity in the pontoon. Please note that it's imperative to open benches and compartments after all uses to allow moisture to escape.
- 24 Pink stains that may appear on vinyl-covered furniture with white leatherette.
- 25 Deterioration of the leatherette and vinyl covering caused by abnormal exposure such as tree sap, dead leaves not cleaned by customers, bird droppings, etc.
- 26 Deterioration of the leatherette and vinyl covering caused by abnormal exposure such as tree sap, dead leaves not cleaned by customers, bird droppings, etc.
- 27 Use of the pontoon outside the limits of Transport Canada authorizations and/or others federal legislations.

During the warranty period described herein and subject to other provisions of the convention, ARMADA responsibility under this warranty is limited to the repair or replacement of the defective component. The cost of all repair or replacement under the limited warranty cannot be under no circumstances higher to the right market value of the pontoon, on the date of the claim presented by the owner. The remedies provided under this limited warranty constitute the sole owner remedies provided.

All warranties are decreasing as shown in the table below:
